**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Living in a rural community , we have no cell service. AT T sells service but does not deliver! My cell phone has service everywhere but HMB. AT T wants to sell me a pricier phone but will still not guarantee device in my home. At this time,I am shopping for new cell service but keep getting Verizon, Att, or Sprint in the background as carrier.

We have many low income families in the area and they should not be denied internet coverage due to the greed by the 3 carriers.
